Release 0.1

Aaron Fisher

Jul 28, 2021

Contents

1	Getting Started	3
2	Author	5
3	Welcome to xlnt's documentation!	7
3.1	Extended xlwings API Library	7
3.2	Function Library	7
4	Indices and tables	9

`xInt` brings the power of Python to Excel. It extends `xlwings` with more functionality native to VBA, while also providing a function library spanning Excel built-in functions.

CHAPTER 1

Getting Started

We will soon link our ReadTheDocs style documentation and provide pip install instructions here.

CHAPTER 2

Author

xlnt was built at [Cortland Partners](#), by Aaron Fisher

Welcome to xInt's documentation!
